

Quality Policy

The management of AKCS Offshore Partner Limited and Aker Kvaerner Offshore Partner Canada Inc. believe that the delivery of high quality products and services is a rightful expectation of our customers. We are committed to meeting this expectation through our compliance with our Quality Management System and by making Quality Management an integral part of our business activities.

We will:

- Ensure that client requirements are clearly defined and guide our work;
- Assign organizational responsibilities and ensure that they are understood;
- Define the processes by which matters affecting quality are managed and controlled;
- Promote a culture of continuous improvement; and
- Provide the means by which improvements will be achieved.
